Bungendore Club visiting Reedy Creek for a Christmas Event

Reedy Creek Christmas Obsthon was swarmed with Bungendore Members including:
Dot Willcoxson & Groom Lorraine Wharton Driving their Pony Pair, Tamara Abed & Princess, Elizabeth McIntosh & Tammy also Doug Willcoxson for our support crew. All wearing our Bungendore club t-shirts we stood out a mile away.

The course flowed nicely with some tight turns with us having to remember where the next number was as we crossed the arena a few times. Due to water damage from the recent rain parts of the arena were not in use. Reedy Creek members still had a challenging & fun course set up which was enjoyed by all.

There was a good turnout of competitors especially in the level 4 where there were 7 competitors. We had heaps of fun with the carts drifting around the corners & trying to beat each others times on the course. We were all successful Dot placing 1st, Tamara & Elizabeth both placing 2nd. John Moyes was also successful in "award hugs" by landing a hug on Tamara who was ready to run for the hills (as she isn't a huggy person) Reedy Creek also put on a lovely dinner with yummy desserts, great conversations & lots of support.

Thankyou Reedy Creek for such a lovely day.
